To whom it may concern,

I am writing this letter to recommend Gaute Lunde for any position or program that he might be applying for. I had the pleasure of being his teacher since March 2023 in the Back-end Development Year 1 program, where he excelled in both academic and practical aspects of the programs.

Gaute was an outstanding student in his cohort. He consistently achieved good grades in all his courses, demonstrating a keen interest and aptitude for the subject matter. He is eager to learn new things and challenge himself with complex problem-solving exercises and projects.

Gaute is a remarkable student who has a bright future ahead of him. He has proven himself to be capable, motivated, and passionate about back-end development. I have no doubt that he will be an asset to any organization or program that he joins. Therefore, I recommend him for your consideration.

Sincerely,

Frederick Botha
Program Manager & Online teacher, Back-end development
